

## Win a Trimble RTS Total Station

Hit a hole-in-one to win this prize  
at the Annual CCA Golf Outing on Tuesday, August 11th at  
St. Andrews Golf Club in West Chicago

The Trimble® RTS Series Robotic Total Stations help contractors perform layout tasks significantly more efficiently than with conventional mechanical systems for residential and building construction. Designed specifically for concrete and general construction contractors, the Trimble RTS Series total stations offer construction-specific functionality and one-person operation so you can perform all jobsite layout and measurement tasks for maximum flexibility and cost savings.
